

James Chen

ML Engineer

PROFESSIONAL SUMMARY

Machine learning engineer with 5 years of experience in deep learning research and production ML systems. Published 4 p

Over 5 years of professional experience.

TECHNICAL SKILLS

Python, PyTorch, TensorFlow, Machine Learning, Docker, AWS

WORK EXPERIENCE

ML Engineer | AI Solutions Co. | 2021-Present

Designed and deployed PyTorch models on AWS SageMaker. Reduced inference latency by 40%.

Research Scientist | University Lab | 2019-2021

Conducted deep learning research using TensorFlow and PyTorch. Published in NeurIPS and ICML.

EDUCATION

PhD in Machine Learning
